Happy Feast of St. Joseph!

This year the Feast of St. Joseph (usually observed on 3/29) fell on a Sunday, so it was celebrated on Monday, March 20. St. Joseph's Feast Day is widely celebrated, especially in the Italian communities as St. Joseph is the patron saint of Sicily. Here at St. Mel's, the kids were encouraged to wear red or brown, the colors associated with St. Joseph and we began our day with mass. Father Fonti reminded us that just as Joseph watched over and cared for Jesus as a young boy, we too can pray to him to watch over and protect us. Since traditionally, pastries are served on St. Joseph's Day, Father treated all the children to Krispy Kreme donuts. They were delicious! Later in the evening, Bishop DiMarzio celebrated mass and a St. Joseph's day altar was displayed in Father O'Malley hall. The kids even got to taste some of the blessed bread. Happy Feast of St. Joseph to all! - Amy Barron
