February Students of the Month

Our value of the month of February was Fairness. Here at St. Mel's teaching and living out gospel values is part of our mission. We encourage our students to treat each other fairly, while recognizing that fairness is about making sure everyone has what they need, physically, emotionally and spiritually. We congratulate the following students for their sense of fairness.

Lenten Sacrifices

In the Catholic faith, Lent is a sacred time, beginning with the observance of Ash Wednesday, continuing through Holy Week, until the Resurrection on Easter Sunday. During Lent, we remember Jesus' ultimate sacrifice, giving his life for us on the cross, and we make our own sacrifices in our daily lives. Our first grade class has been learning about the season of Lent in their religion classes. They completed a project where they shared their commitment to pray for each other, to make a sacrifice by fasting, and to share with others. Check out some of their projects!
