## Rocking through the Decades

For one day only, we turned St. Mel's Catholic Academy into the School of Rock! Our students have worked so hard over the past few weeks practicing their songs to prepare for the show. They took us all on a musical journey back in time. Our 3K and PK classes took us through do-wop and sock hops of the 50's and the Beatlemania of the 60's. When our Kindergarten through 5th graders took the stage, they led us through the groovy 70's, totally awesome 80's and into the new millennium. They did a great job and certainly rocked the house as they proved that they "are the champions of the world".
