

# Wildcat Weekly

Issue 2—September 25, 2023

## Welcome Wildcat Cubs!

This week our 3K and PreK classes began their regular full day schedule. The transition to school is huge step for children as they leave the comfort of home and enter into our vibrant, yet unfamiliar classrooms. Some are excited to begin school, some are nervous, some are scared, but most are a combination of all three, and I am not just talking about the kids, parents too!! While it is always expected to see some tears (again, parents too), as the children make new friends and see how much fun school can be, the tears fade and are replaced with smiles. Children learn through play, and by looks of these kids, much learning is being done. Take a peek at some of our littlest Wildcats as they discover how much fun learning can be!!!

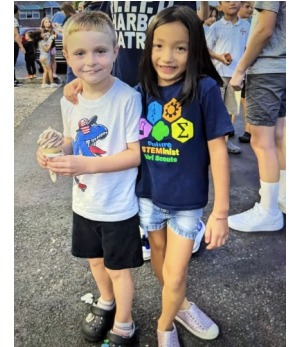

# We Scream for Ice Cream!

Our Fall ice-cream social has become quite a fun tradition for kicking off the school year! Each year, usually during the first week of school, we partner with Carvel (Francis Lewis Blvd) who donates a portion of the evening's proceeds to our school. It is a great way for our families to get together outside of school and enjoy a nice cool treat (especially this year as it has been so hot these first two weeks of school!). Our students have even begun a tradition of making "Honk If You're Happy" signs to drum up support for our school. What innovative students we have here! I scream, you scream we all scream for ice cream!!!
