## Welcome Back BBQ!

The welcome back BBQ is an annual event we all look forward to. This year's BBQ was quite a success and a great opportunity for our school and parish communities to come together to welcome everyone back from the summer and kick off a new year. There was plenty of food and fun for the young as well as the young at heart. On behalf of our students, we would like to especially thank the Men's Club for all of their work in hosting this event and their generous donation to our school well as all those who sponsored the event including Mario's Pizza (full list of sponsors is in this week's Church bulletin) We would also like to thank the FDNY and NYPD who once again not only brought the fun but also lifesaving information to our children. A great time was had by all!!

# Welcome to the Wildcat Rec Room!

Last year, we installed the indoor gross motor room for our 3K/PK students to give them a place to play and climb when they couldn't go outside. The kids loved it and that got us thinking, what about our bigger kids? What can they do when the weather is too cold or rainy for them to go out at recess? They needed an indoor space as well... and so the Wildcat rec room was born. Thanks to Austin Buttigeig's grandfather who prepped and painted the room, Ms. Dani's dad, the electrician, the Greater Ridgewood Youth Council and the PAA, our rec room is stocked with games and crafts to keep our big kids busy and entertained for recess even when they can't go outside....let's take a peek!
