Happy Thanksgiving!

We have much to be thankful here at St. Mel's, our dedicated faculty, the spiritual leadership of Father Fonti, our supportive families, and of course our amazing students. Although this is short week, it was a busy one. Our 4th-6th graders had a trip where they learned about the science behind many common magic trips, and participated in a financial literacy workshop with our partners at Dime Savings Bank. Our younger students were shared what they were thankful for, participated in Thanksgiving feasts, and disguised tukeys to keep them from ending up on the Thanksgiving table. Our first grade class even designed their own balloons with the help of the sixth graders and held their own version of the Macy's Thanksgiving Day Parade! Have a blessed Thanksgiving!
