New Year...New Learning

After a bit of a rocky start to the new year with the heating issues we had in the school building, we got right back into the swing of things as soon as we were able to get back into the building, and we picked up right where we left off prior to Christmas vacation. The children were happy to be back, excited to be with their classmates again, they set their goals and resolutions for the new year and are ready to jump into new year of learning. Check them out!!
