Read Across America

Each year Read Across America week is traditionally begun on the birthday of famed children's author Theodor Geisel, more commonly known as Dr. Seuss. We celebrated Dr. Seuss Day on Monday 3/4, but throughout the week we shared the joy of reading. Mystery readers came in to read to the children and the children read to each other. On Friday, 3/8, we participated in the Great Diocesan Read Aloud where the children had a virtual meet and greet with real authors who shared their stories with our children. Nothing expands the mind like opening a book.
