First Holy Communion

Congratulations to all of our students who received their First Holy Communion this past Saturday. May you continue to be in Communion with God, through the gift of His Son, Jesus, and may God bless you always.

Happy Mother's Day

Today we held our annual Mother's Day plant sale. The children love to have the opportunity to shop and pick out beautiful flowers for mom, grandma, nonna, godmothers, aunts, etc. We all know that a mother's job is never done and a mother's heart is always full of love for her children. Flowers are a great symbol of the love between a mother and child, as a mother nourishes and loves a child so that he or she can grow and thrive, just like a flower. May the love between a mother and child continue to always blossom.
