Nature Explorers

Our Kindergarteners and First Graders took their learning out into the field again. This time they headed out to the Alley Pond Environmental Center. While there they learned about the different ways that reptiles, birds and mammals take care of their young. They even got to meet some new furry, feathery and scaly friends as well as had the opportunity to go on a nature walk. These boys and girls are learning to care for our planet and all of God's creatures. Our Earth is in good hands with these nature explorers as they grow up.

Take Me Out to the Ballgame

Last night was our annual St. Mel's Met's outing at Citifield. It was beautiful night for a ballgame. Mets gave up 3 runs in the first, but came back with four and eventually took a 10-5 lead in the 9th when things got a little worrisome for Met's fans as the Diamondbacks hit back to back 3 run and solo homeruns with 2 outs in the top of the night. Mets held on though and won the game 10-9. The excitement didn't end there though, as it was fireworks night. It was a great way to celebrate a Met's win. Thank you to all who came out to the ballgame!
