

## LAST WEEK'S HIGHLIGHTS

**5th Grade Boys' Soccer:** The St. Mel's Wildcats advanced to the Finals, competing this past Saturday. Although they did not take first place, we are so proud of these boys, and they will always be number one to us!

**Faculty PD:** Last Friday, the faculty participated with 9 other neighboring schools on an informative Professional Development Day. Hosted by St. Luke's the teachers collaborated with other educators in their grade/field, on innovative ways to differentiate their lessons to better reach your children.

## CLASSROOM HIGHLIGHT

Ola da la classe di Signora Castelli! The 7th graders are completing an "Amigos" project, in which they work in pairs to compose biographies of their friends - and present it in Spanish! I can't wait to see how these turn out.

# Wildcat Weekly Update November 13, 2018
