

ST. MEL'S IS THANKFUL

Thanksgiving Prayer Service - In our annual Thanksgiving Prayer Service, the 6th grade students lead the school in a beautiful series of prayers. Focusing on all of the good and love in each of our lives, the readings gave everyone an opportunity to take a step back, and remember to be grateful for all we have. As always, our 8th graders had their 1st grade buddies by their side, teaching them how to genuflect, and when to stand and kneel.

Nursery Celebrations - The Nursery classes celebrated Thanksgiving by making a feast of their own! Complete with corn muffins, cinnamon roll turkeys, and even butter that they "churned" right there in class, they all made together, the children learned how to work together, follow a recipe, and to give thanks!

PARA OLYMPIAN VISITS ST. MEL'S

Para Olympian Steve Servio visited the third grade class! A Gold and Bronze medalist for the USA Basketball Team, Servio gave a motivational talk to the students, inspiring them to never give up on their dreams no matter what seems to stand in their way.

Wildcat Weekly Update November 26, 2018

Looking Ahead:

- **Illumination Campaign**
