

## ST. MEL'S WELCOMES TWO NEW MEMBERS

**Ms. Boccia:** With over 7th years of experience - ELA being one area of expertise - Ms. Boccia joins the St. Mel's 4th Grade Classroom! Working alongside Mrs. Volpe during the next few weeks of transition, this dynamic team will move towards continuing to provide the 4th graders a fun-filled, well-rounded educational experience!

**Ms. McVernon:** Proudly returning to St. Mel's is Ms. McVernon, a seasoned Mathematics Educator, who served as a Math Coach in the 2017-2018 academic year. This year, she will be jumping on board, to fill in as 5-8th Math Teacher! Taking special care to make certain that we uphold our academic standards, Ms. McVernon will be working to build the skills of our students.

## 8th Grade Friendsgiving

For this month's 8th Graders' Special Lunch, the PAA mothers organized a delicious prequel to Thursday's family festivities. Today, the 8th graders shared in a beautiful Friendsgiving, starting in prayer, and ending with great food, and many laughs! Looking forward to more special lunches for these great students.

# Wildcat Weekly Update November 19, 2018
