A NEW YEAR, A FRESH START

Students and staff returned to St. Mel's last week reading to kick off the new year! From exciting new projects, to interdisciplinary class trips, 2019 is sure to be a fantastic year!

Sunday marked the Epiphany - also known as "Little Christmas," or "Three Kings Day." In honor of this celebration, grades 1 through 8 attended a beautiful Mass, said by Fr. Sauer. As an extra bonus, and in St. Mel's tradition, Fr. Sauer even lead the congregation in a solo-Christmas song!

On Tuesday, grades 6 through 8 will be going on a trip to United Skates of America with Ms. Castelli and Mr. Doyle. Organized by the two Middle School teachers, this trip combines STEM with the joy of skating! Complete with a STEM lesson, and followed by some rink time, this enrichment activity is sure to spark some creativity!
