March 27, 2019

Dear St. Mel's Families,

I have now completed four weeks at your wonderful school and offer my sincere thanks for the warm welcome I have received from you, the parents, as well as your children. The faculty and staff have been wonderful and so very patient with me as I come to know your school and it's very special culture. While I realize that there were some relational difficulties at the beginning of this school year, I assure you that all is well at this time and the school days are moving along very smoothly. St. Mel's is alive and well and we are now engaged in the preliminary tasks required for the beginning of the next school year.

I also realize that some families chose to move on to another school and certainly that is their prerogative. I also hear from a few of your children that you are considering moving on. All I ask is that you speak with me prior to making any final decision. I was so impressed with your children's report cards and how well they have been doing academically. I have come to know many of your children and am impressed with their enthusiasm and respectfulness. Also, I have come to know many of you, and in the many schools I have worked in, have never seen such dedication and willingness to help as I have witnessed at St. Mel's.

It is now time to start the reregistration process for the next year. Enclosed please find the tuition scale, which is exactly the same as last year, and the school will continue to use the services of the FACTS Management Co. program for the payment of tuition as has been done this year. Also enclosed in this mailing is the Education Fee Form for the 2019-2020 school year.

This Education Fee Form must be returned to the school no later than April 17 just before we close for Easter vacation.

God bless you and your families...all of you are in my daily prayers.

Most sincerely,

Sister Joan Martin, OP
