

St. Mel's Nut Card Guidelines

- NUT cards can be earned for fundraising events, however, there will be limits to the amount of cards which can be earned.
- All NUT cards will expire at the end of the 2020-2021 school year. NUT cards from 2019-2020 school year can continue to be used due to the school closures last year.
- NUT cards can only be used on designated dress down days. If a student doesn't have a NUT card, he or she can pay \$3 to dress down. Please see monthly calendar for dress down days.
- NUT cards can also be used on a student's birthday. In the event a student's birthday has already passed, they can use it on their half-birthday. A day will also be designated in June as a special NUT card day for students with summer birthdays.
- When using a NUT card (or paying \$3 to dress down) all clothing must be appropriate for a Catholic School setting. This includes but is not limited to:
 - shorts/skirts must reach mid thigh or longer
 - shirts must have sleeves (no tank tops)
 - no pants with holes in them
 - no clothing with offensive images or language
- All of our students are beautiful. Whether in uniform or dressed down, their clothing should enhance their inner beauty.
