Issue 12 – December 4, 2020

I hope you all had a blessed Thanksgiving, full of good food, needed relaxation and valuable time spend with loved ones. Even though our Thanksgiving tables may have been a little smaller this year, they are still filled with love and gratitude. As the advent season is upon us, we have been busily beginning to prepare for Christmas. Decorations are going up around the school building, the grade 2/3 girls helped to trim the tree in the front entrance, and the children are sharing the exciting adventures of their scout elves. However, advent is not only a time for decorating and shopping, but also for opening our hearts for the birth of our Lord, Jesus. May the joy of the advent season warm your hearts and homes.—Mrs. Barron
