

Calling all builders.....

# **Join the St. Mel's Family LEGO Challenge**

## Rules:

- Work together as a family to design and build a unique Lego creation. It can be a building, bridge, robot, vehicle, or anything else you can think of.

- Must be a unique creation, it cannot come from a pre-bought Lego set.

- On a postcard, write your family name, and the grades of your children. Briefly describe your creation. Your children will present these to their class.

- All children in participating families will receive a NUT card for participation.

- Prizes awarded to the top three creations based on originality and creativity.

- Bring creations to school on 1/31
