Catholic School's Week—Career Day

On Wednesday, our students participated in Career Day. We would like to thank Councilwoman Vickie Paladino and all of our moms, dads, grandparents and other family members who came in to speak to the kids about thier careers. It was quite an inspiration for our kids. They have big dreams and I have no doubt that they will become a reality,

Catholic School's Week—Celebrating Our Nation

On Monday, we showed our appreciation for our military and first responders around the world. We made comfort packs, personalized pillow cases, comfort pack, paracord lanyards and letters/cards for Operation Gratitude to send to our troops and first responders. We also showed our patriotic pride by proudly wearing red, white and blue. God bless our country and our troops!

Catholic School's Week—Wild & Wacky Day

Thursday was a really crazy day. First, we all came to school dressed up in our wildest and wackiest outfits and accessories. Because we wanted to show our kids how much we appreciate them, they were treated to a bagel breakfast and a laser light show. We ended the day with a fun-filled family game afternoon. A great time was had by all.

Catholic School's Week—Faculty/Volunteer Appreciation

We ended Catholic Schools week with our Faculty & Volunteer Appreciation Day. The day started with breakfast for the teachers and PAA team. Then K-5 headed over to mass and had our throats blessed for the Feast of St. Blaise, followed by some crazy faculty/student games. Thank you to our teachers for being such good sports!

Catholic School's Week—Culture Day

As part of our Catholic School's week celebration, we held a culture fair. The students dressed according to their cultural heritage, we shared stories and food and we even learned about dances around the world. Thank you to The Dance Project, for assisting us with this wonderful afternoon of celebrating our cultures and diversity. It really is "A Small World After All".
