# Happy 100th Day of School!

It's hard to believe that we have already been in school for 100 days! That's beyond the half way point and 100 days of growing, learning, laughter, fun and friendships. I don't know about you....but it seems as if some of our students have gotten much older over-night....what do you think????

School is closed next week (2/20-2/24)

Enjoy the Winter Break!
